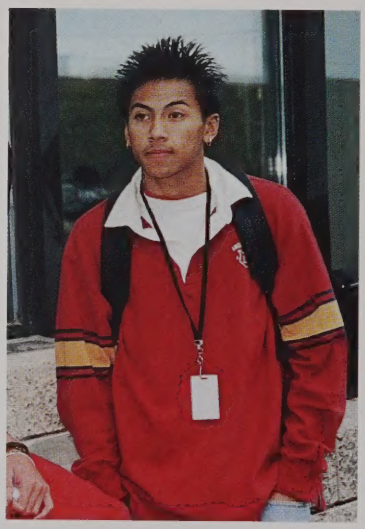
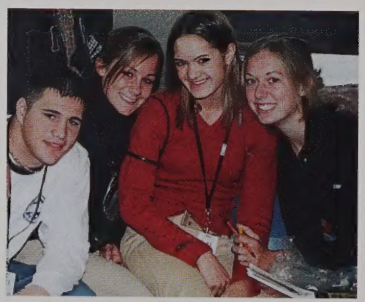
Time for Lunch...Let's Eat

Seven to Thirteen--which one was your lunch mod? For 25 glorious minutes, lunch is considered one of the most social times of the school day. Lunches have varied over the four years, including a start time as early as 9:25 a.m. during junior year. Always empty, Mod 12 was a down time for cafeteria workers, until 2002 when a larger student population necessitated the move to have 7 lunches for students & staff. Advanced technology entered the scene too with the use of ID Badges to scan. Now, instead of just handing in your money, you scan your badge & either receive free, reduced, or the increase price of $1.50 per lunch. Longer lines because of the new system found students eating in line; while vending machines, including ice cream, fruit drinks & milk added to changes made starting senior year. Although the lunch room has changed, many people still found themselves sitting at the same table year after year.

HUNGRY OR NOT
Whether it's cafe food or no food at all these girls make the best of their 25 minute lunch.

TAKING A PEAK
After his lunch, Larry Phy glances at the canal. Many students chose to sit outside instead of the congested cafe.





TAKING A BREAK
After a long day, Joey McCreedy, Hollie Underwood, Bria Loureiro & Shelagh Murphy gather around their usual Mod 13 lunch table.

LUCKY ONES All smiles, Yao Amo & Yajaira Rodriguez find a seat in the crowded cafe.

ALMOST DONE Mike McCloud, John Lahey & Mike Casey head to their last class.

LUNCH PACK
Staying near the long tables, this crazy bunch gathers to make plans for the weekend.

SNACK TIME
Going to the snack bar, Natalie Perez & Eddie Olavarria browse the new & improved selections.

WITHOUT A MOUTHFUL
Hanging with her bud, Biviana Vergara & Biviana Vergara munch on their sandwiches & mini salads.

SPOTLESS After eating their lunch these five senior girls ensure they leave their table clean.

SPORTS TALK Discussing the fate of local sports teams, Dan Rogers & Ken Pigeon debate the Celtics season.

HUDDLE Lunching with friends, everyone relaxes after a long morning of classes.

STRIKE A POSE Before purchasing a lunch, Janet Choup searches for that extra fifty-cents. Lunches cost $1.50.

THIRSTY ANYONE
After eating a lunch, seniors Jenna Healy & Joel Bartlett sit back & discuss the new vending machines. Beverage machines were moved out by the tables for easier access.

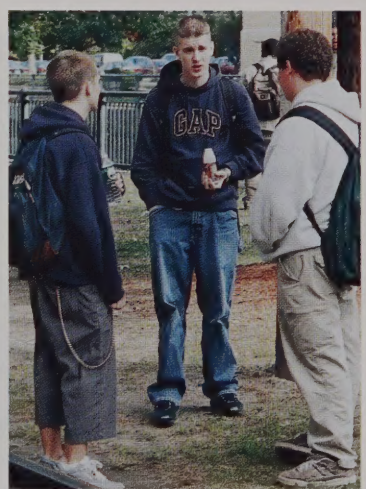
WHAT A FACE
Giving the look, seniors Chandana Phat & Bianca Ramirez catch up on the daily gossip over dogs & fries.

ALL FINISHED
Senior Kim Moore & Felisha Crawson goof around as they await the bell. For many, 25 minutes is never enough to let off some steam.

GETTING A LITTLE CROWDED
Piling the mess up in the middle, these boys argue over who is responsible for the trash. Tables were often left messy for the next group.

SITTING CANALSIDE
Taking the scenic route, these seniors decide to enjoy their lunch outside.

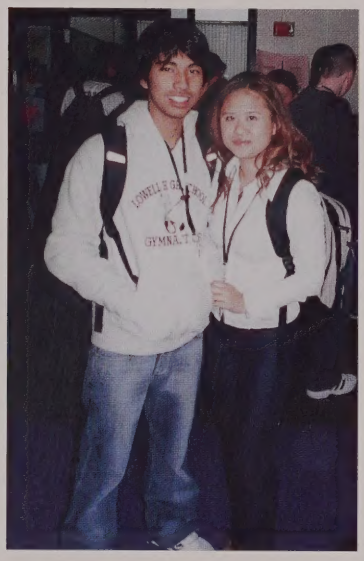
NO TIME TO EAT
With only 25 minutes for lunch, Phanny Sen & Sokchanthy Nin try to have a quick chat as they get down their hamburgers & chocolate milk.



MILK OR WATER A refreshing drink, Mike Monahan, Joey O'Driscoll & Nate Cook have a liquid lunch.

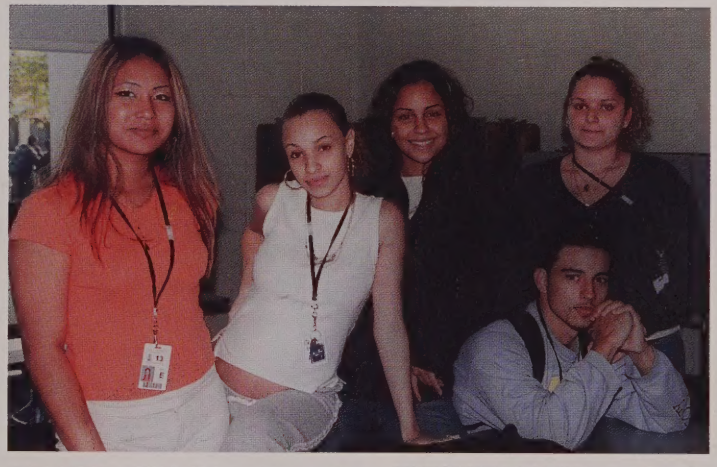
CATCHING UP With no time to eat, Amy Kirane & Richard Barry forego a meal for today.

TAKING A BREATHER
Sitting on the outside stoop, Sara Field & Lisa Burgess take a break from the crowded lunchroom.



CAN I SEE SOME ID
With lanyards visible, Khemra Khirv & Lisa Tan sport their ID badges. ID badges took on new role including paying for lunch.

CLEAN-UP AFTER YOURSELF
Done with their meal, MJ Rourke & Julie Glaude try to avoid cleaning their table.

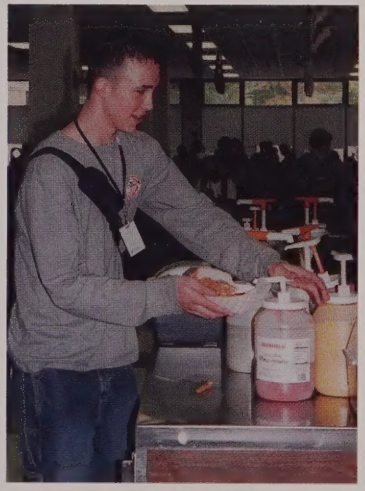


CHOICES, CHOICES Sporting the variety of foods from the cafe, this crowd finishes up their meals. The selection of snacks got better as each year went by.

FINISHED EARLY Anxiously waiting the bell, these seniors gather around their usual table before heading off to their next class.

SOMETHING TO SMILE ABOUT
Discussing weekend activities, these seniors spend their 25 wisely.

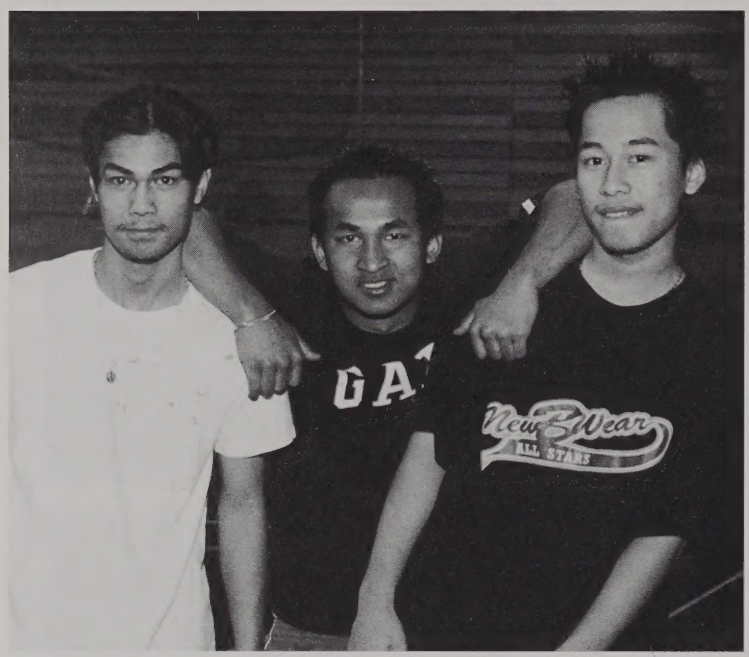
WHAT'S YOUR PREFERECE
"Dressing" his dog, Mike Cook decides that ketchup tastes best.

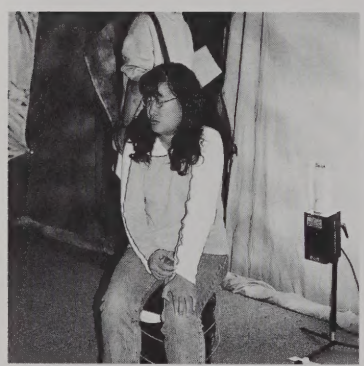


TAKING THEIR SWEET TIME
Taking a bite from her tray, senior Sokhom Hang savors not only the meal but the company. The cafeteria offers a balanced nutritious meal.

KEEPING IT KOOL
Hanging out in the gym, Sina Heng, Kim Nath & Peter Lash break from the action of volleyball during phys ed class. The PE Department opened a state of the art fitness room with treadmills & eliptical machines.

WHAT'S HAPPENING
Student Council members Josh McCabe & Katie Sadlier post news & upcoming events on the outside board. Information from the Office of Student Affairs & Activities kept students up-to-date.





IN BY THE DEADLINE
Waiting to until the last minute, this senior, along with other delinquent seniors, visits the Little Theatre for their last chance senior portrait by Hilton Photography. Did you get your pictures in by October 31?

FIELD TRIPS ABOUND
Invited by Congressman Marty Meehan, members of Mrs. Bienvenue's Political Science Class, along with the Mayor Rita Mercier, leave the Nesmith House after listening to Congressman John Lewis of Georgia on October 4.

I Will Remember You...

CLICK OF A BUTTON
Mousing around, Thavrath Thao works his way through Excel in Informational Fundamentals. Computer labs located throughout the building were utilized by classes & for a change of scenery by teachers.

DRESSED FOR A SCHOOL DAY
Getting with the spirit, senior Heather Lisien crosses the canal bridge with a friend. Students celebrated First Freaky Friday's each month with a theme dress up day; pajamas were very popular in early October.

LISTENING TO MUSIC IN CLASS
Playing his guitar, senior Greg Richards strums a few notes during Beginning Guitar Class. A variety of classes were available to students; however getting them scheduled at the right time proved impossible.

ALL IN A DAYS WORK
Shredding paper, Efrain Ponce & Michelle Desharnais perform their Office Intern tasks in the Parent Registration Center. Many students scheduled in Office Intern to take them away from the usual class routine.

...I will remember you

Will you remember me?

Don't let your life pass you by...

Weep not for the memories...

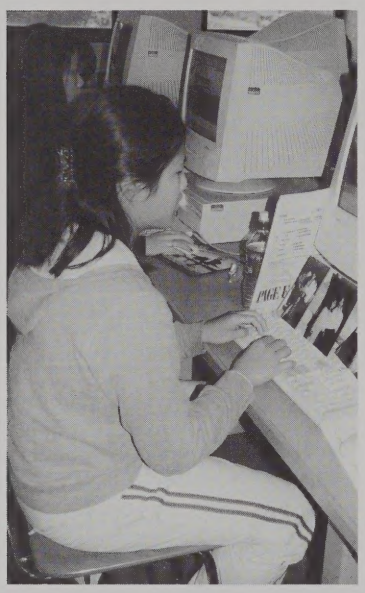
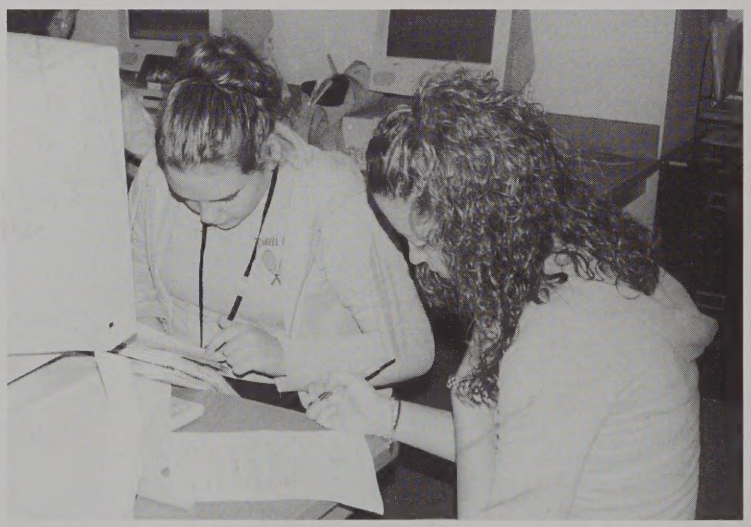
JUST FOR FUN
Sporting their brand new staff shirts, members of the Mod 3/4 Yearbook Journalism class goof off around the building. Various poses were struck for just the right pose for the book.

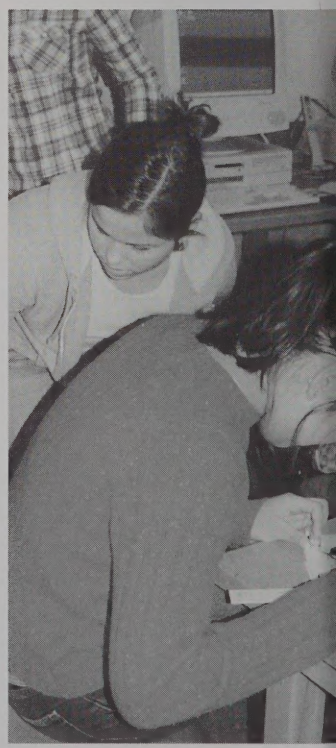
UGH, CAPTIONS
Getting the text just right, Terry Eng views pictures from the Sophomore Social as she inputs sentences into the computer. Students learned design tips while using PageMaker software to put the book together.



WORK TO BE DONE
Returning page envelopes, Laura Durand, Michael Monahan & Danielle Leone clean up their work area. Staffers worked in Room 142 to produce the *2003 Spindle*.



CHECKING YOUR WORK
Verifying the grammatical structure of captions, Courtney Decker & Jenna Healy review each other's work. With a class of 25, there was plenty of work to complete the 192 pages.



THE RIGHT ANGLE
Working together, Kim Francis, Rosa Hun & Rotana Thou check out the layout while cropping photos to be submitted. The book was completed in early March.

Time Waits for No Staff

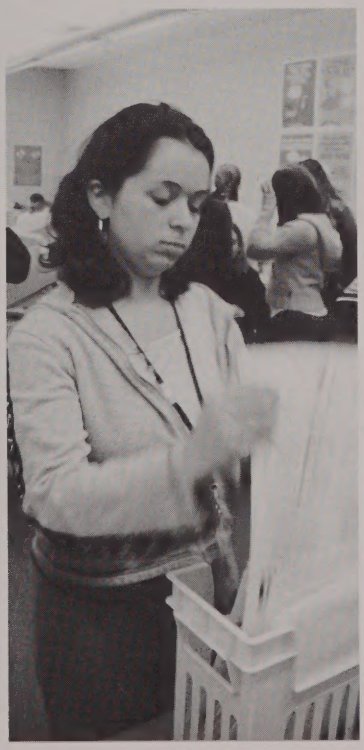
With deadlines looming, staffers worked diligently to get the 2003 Spindle put to bed by early March…

Starting the school year, 24 staff members worked to complete the 57th Volume of the Lowell High School Spindle Yearbook.

Yearbook journalists included Joel Bartlett, Tiffany Brady, Alexandra Cardoso, Janet Choup, Ian Crabtree, Courtney Decker, Josie Dupont, Laura Durand, Terry Eng, Steven Fader, Kim Francis, Katelyn Gauther, Nerissa Gleason, Jenna Healy, Rosa Hun, Malinda Huot, Danielle Leone, Chamnann Meas, Michael Monahan, Sarath Rem, Sinora San, Suelinda Say, Laura Stotz & Rotana Thou.

Staffers met during Mods 3/4 to complete the 192 page memory book for the Class of 2003. Meeting early October deadlines proved tough for the staff, as pictures and page spreads were difficult to match up. By mid-December half the book was complete with over 580 seniors submitting their pictures for the first alphabetic section of the Senior Portrait Section.

Caption Editors included Suelinda Say, Courtney Decker, Chamnann Meas & Malinda Huot. Divider Page Editors were Steven Fader & Alexandra Cardoso. Suelinda Say was named Cropping Specialist while Chamnann Meas, Sinora San, Rosa Hun & Rotana Thou completed the most challenging of work no one else dared to attempt.



OVER 190 PAGES
Grabbing her assignment for the day, Alexandra Cardoso takes her pages to complete. Alexandra worked on the Senior Portrait Divider Page as well as Boys Soccer & ILC pages.

READY TO GO
Leaving the memories to you, staff members head to the garage for one final exit. The *2003 Spindle* was advised by Jill McNamara & assisted by Sue Fineman.

Government in Action

The Headmaster's Advisory Panel is made up of students in all four grades who applied to be part of the panel. Students meet on a monthly basis with Headmaster Samaras to discuss current school events. In this forum, students have worked to improve the lunch program as well as rallied for the continuation of the Dual Enrollment Program.

The School Committee Advisory Panel is made up of six students who meet four times a year with members of the Lowell School Committee and Lowell Public Schools Central Administration staff. Students update panel members on the school happenings as well as keep them informed on key issues of importance to students.

Senior Class Officers are elected in the fall of each year. Officers work closely with the Coordinator for Student Activities to plan Senior Week Activities as well as the Senior Prom & Graduation.

Take the Shot

The Lowell High Boy's Basketball team showed extreme effort, remarkable leadership, and tremendous teamwork.

Although this wasn't their best season, it turned out to be a test of teamwork & determination. It was a year of inconsistency, but with the help of two MVC All-Stars, they had improved their record from last season.

With only four games left in the regular season, the Red Raiders found themselves in a tough spot. Having won three straight, their last regular game of the season against Haverhill proved to be a battle. Although the Raiders gave it their all, they left without a win, ending their season early.

All & all, this team worked hard and had a terrific season.

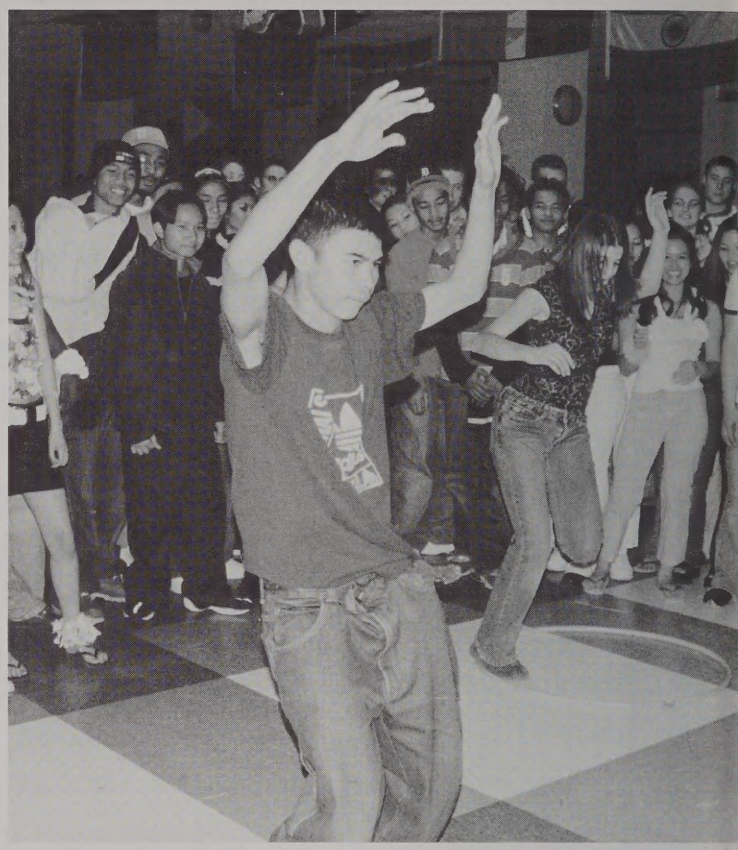
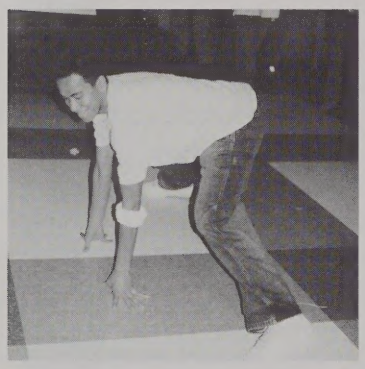
A HAWAIIAN DELIGHT
After a hot night of dancing, Jon Patterson, Rosa Hun, Samantha Silva, Marina Chak & Joel Bartlett make their way to the photo room for the perfect ending to the Luau.

RAISING THE ROOF
Letting the hula hoop fall to the ground, Chantha Vieng eggs on the crowd while Pam Liakakis works the skipping action.

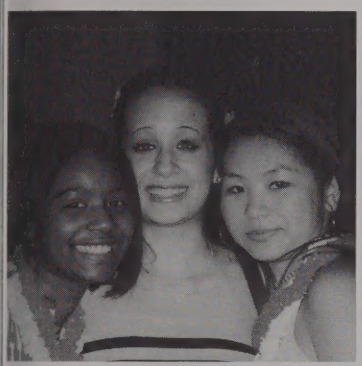




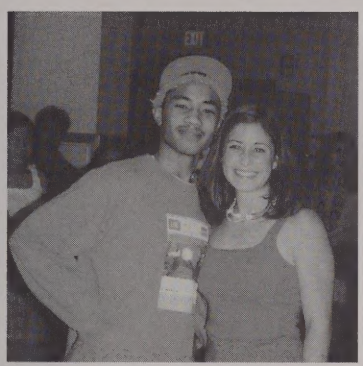
DANCE FEVER
Showing off his moves, Tommy Bauth attempts a split for the crowd during the dance-off. The Senior Luau was held in place of the Senior Snowball.

FLOWER POWER
Showing off their luau attire, Janet Choup, Kara Desmond, Pam Liakakis, Jen Gannon, Shannon Graham, Khemra Khirv, Katie Sadlier, Sarah Kirane, Kara Flynn, Krista Lambroukas & Anne Le crowd the dance floor with their other well-dressed classmates.

Stuck in a Moment



SHARING SPACE
Heading for a buddy shot by Photosinaminute, Ashley Hines, Nerissa Gleason & Xing Panyanouvong check out the digital opportunities.



GO GET IT
Vying for the final prize of a free prom ticket, Rorthana Sin & Mikaela Boyle wish each other luck in the final contest at the December 6 Luau Bash.

FRIENDLY FLOWERS
Sporting a variety of flowery garb, Savin Chhoeun, Lysabad Bo & Maryanne Mam make the most of the uncrowded event to live it up.

FROM THE SIDELINE
Watching from the edge of the dance floor, Brian Bergeron & John Freeman get a kick out of the antics of the brave dancers.

You've got to get yourself together

You've got stuck in a moment

And now you can't get out of it

Don't say that later will be better

Now you're stuck in a moment

And you can't get out of it...
